

Lawton Christian School

Discipline Agreement

Lawton Christian School recognizes that it cannot meet the educational need of all students. It is a school offering high quality Christian training, but it is not designed to be a correctional institution for problems arising beyond those usually encountered in average students. The school is not equipped to meet the needs of delinquent and/or emotionally disturbed students. Some students do not adjust to a disciplined academic environment and find excuses to criticize the policies and decisions of staff and administration. In such cases, the school reserves the right to have full discretion to follow through with necessary discipline procedures, to include but not limited to suspension and expulsion from school should the student choose not to cooperate with the total educational process. It is my intention as a parent to abide by the decisions and support the discipline procedures of the administration.

I recognize the Lawton Christian School has a highly qualified staff, and I have confidence in their abilities. I realize that from time to time students take issue with actions they do not agree with and are prone to criticize and take statements out of context. This being normal for students, I pledge that should this occur, I will contact the school for details. I understand that building strong relationships with my student's school authorities to aid in the training of my student is as much my responsibility as it is the school's responsibility. I will follow through with any work assignments, or slips to be signed, see to it that my child reaches school on time, and send written excuses for absences as deemed necessary. I will, whenever possible, attend all parent functions and support my child's involvement in extracurricular activities.

I realize that my student, by desiring admission to Lawton Christian School, is committing to a lifestyle pleasing to God and that he/she is expected to abide by the standards of student conduct throughout his/her enrollment, whether at home, school or elsewhere. I will cooperate in training my student to respect school property and pay for any damages incurred by my students whether accidental or intentional. If my student talks favorably about narcotics or is suspected of narcotic use, I give permission for Lawton Christian School to conduct a drug test. I understand that if I, or my student, refuse such a test, the school will ask my student to withdraw from school. If such a test is administered and my student tests positive for narcotics, I understand that my student will be asked to withdraw from school. I acknowledge and understand that attending Lawton Christian School is a privilege and not a right.
