

Lawton Christian Pre-School and Elementary

Educational Agreement

I understand that the educational program is an integral part of the ministry that I am expected to support. I hereby commit to assume Scriptural responsibility to financially support the school's educational ministry. I agree to uphold and support the high academic standard of the educational ministry by providing a place at home for my child to study and by encouraging my child in the completion of any homework and assignments. I understand that building strong relationships with school authorities to aid in the training of my child is as much my responsibility as it is the school's. I will follow through with any work, assignments, and slips to be signed, and see that the children reach school on time. I will, whenever possible, attend all parent functions.

I have read the LCS Handbook and agree to uphold the objectives, policies, and procedures set forth by the school as long as my child(ren) attend(s) Lawton Christian School.

I acknowledge my responsibility to pay all fees (registration, re-enrollment, academic and monthly/yearly fees) for each student that I have at Lawton Christian. I understand the registration fee is due at the time of enrollment and that half of the academic fee is due by June 1st with the other half due by July 1st of the academic year. Educational (tuition) costs can be paid in full by August 1st of the academic year or in the ten monthly payments (August – May). **I understand that all payments are non-refundable and I am obligated to pay the full annual tuition for the academic year. Any exceptions to policy are not handled by administration but are taken up at the next regularly scheduled board meeting.**

Discipline Agreement

Lawton Christian School recognizes that it cannot meet the educational needs of all children. It is a school offering a quality Christian education, but it is not designed to be a correctional institution for problems arising beyond those usually encountered in average school children. This school is not equipped to meet the needs of delinquent and/or emotionally disturbed children. Some children do not adjust to a disciplined academic environment and are not willing to work with the policies and decisions of staff and administration. In such cases, the school reserves the right to have full discretion in the discipline, with corporal discipline used if considered appropriate, to place such students on suspension for a reasonable corrective period of time, and to expel any student who does not cooperate with the total educational process. To guarantee a good social and education climate, it is important for students to understand that acceptable standards of behavior will be expected at all times. **Discipline will be administered when any individual's actions interfere with the right of the teachers to teach and the students to learn.**

I recognize that LCS has a highly qualified, trained staff and have confidence in their abilities. I realize that sometimes children take issue with actions they do not agree with and are prone to criticize and take statements out of context. This being normal for children, I pledge that should such occur, I will call for details, correct my child and support the school personnel. I will cooperate in training my child(ren) to respect school property and pay for the irregular abuse of the same. I realize that attending Lawton Christian School is a privilege and not a right. It is my intention to abide by the decisions of and support the discipline of the administration.
